

Solaris

Pre-Assembled Outdoor

Sun, Art, Innovation

Solaris is the world's first fully off-grid, solar-powered sauna available in the U.S.—a radiant fusion of design, sustainability, and wellness. Inspired by the Latin words for sun ("solis") and art ("ars"), Solaris delivers a complete sauna experience anywhere, no power connection required. Available in two sizes for 2–5 people, Solaris blends modern European style, solar-tinted glass, and durable tile cladding for an eco-friendly retreat that performs in any environment.
